Engineering Super Letter of Compliance

Fund name: Engineering Super

Australian Business Number (ABN): 34 300 938 877

Fund RSE Registration Number: R1004953

Unique Superannuation Identifier (USI): 34300938877006

1 Complying Fund Status

Engineering Super is a complying and regulated fund in accordance with the Superannuation Industry (Supervision) Act 1993 (SIS).

2 Acceptance of Superannuation Contributions

Engineering Super is able to accept all types of superannuation contributions.

The Trustee of Engineering Super has no reason to believe that the fund will not comply with the SIS Act and Regulations, and is not subject to any direction from the regulator not to accept employer contributions.

All preserved benefits remain preserved in accordance with the SIS Act and Regulations.

3 SuperStream

Under SuperStream (the Government's legislation for electronic superannuation payments), all employers must pay super contributions through a method that meets the SuperStream rules.

Employers can do this by using:

- Their own software solution that complies with SuperStream;
- A solution by an outsourced payroll or other service provider that complies with SuperStream; or
- A clearing house, such as the Small Business Superannuation Clearing House.

More information about SuperStream is available at ato.gov.au/super/superstream.

4 Issued by:

Diversa Trustees Limited as Trustee for Professional Super, a sub-fund of the Tidswell Master Superannuation Plan. Professional Super is marketed under multiple brands, including Engineering Super.

5 Date of Issue:

3 March 2023
